MEMORANDUM NO. OVCAA-BMP 14-026

TO : ALL DEANS, DIRECTORS AND HEADS OF UNITS

FROM : BENITO M. PACHECO, Ph.D.
Vice-Chancellor for Academic Affairs

SUBJECT : Our Visions of 21st Century UP Professors

DATE : 11 December 2014

As introduced during the Executive Committee meeting today, we request all unit heads to submit Concept Papers and/or Academic References regarding our visions of career paths for UP professors in the 21st century.

Indeed the landscape of higher education is changing fast, in the Philippines and elsewhere.

Learning lessons from the recent round of merit promotions for faculty members, and anticipating a number of University fora where faculty development planning shall be discussed, it is best that we as academic leaders at various levels think forward and elevate the discussions and resolutions to the extent of articulating our visions of the 21st century UP professors.

We look forward to receiving your contributions on or before 9 January 2015 at OVCAA (c/o Mr. Jerome Cruz – voip 2555).

Thank you for your cooperation.
