In response to the requests of faculty members as relayed by Chancellors and Vice-Chancellors for Academic Affairs, the deadline for the submission/resubmission of the CVs and applications for the One UP Professorial Chairs and Faculty Grants has been moved to **Friday, 15 February 2019**.

We look forward to your application to the One UP Professorial Chairs and Faculty Grants.

We also thank you for submitting or resubmitting your CVs through a process that complies with data privacy requirements. In so doing, you are helping our Project Team fully capture the nuanced contributions of our University. Equally important, you will be helping us fill our Human Resource Information System (HRIS) with missing information about you once the entries in your CVs are triangulated with existing databases in your CUs and given to you for correction and updating. This should finally put an end to the relentless requests of different UP offices and agencies for the submission of faculty data that have understandably caused vexations to your spirit.
