Third World Studies Center

Upon completion of survey, OIL Diliman will consolidate the data from the various units and departments. The data gathered from this survey will be used to provide insights into what type of partnerships and partners are preferred by the various units and departments of UP Diliman. This will help in ensuring that the collaborations prioritized by the office will be most suited to the goals of the various departments and units of UP Diliman. OIL Diliman will also come up with a summary of the profile of UPD based on the results of the survey, in terms of internationalization collaboration priorities, which can be shared to the units and departments once properly consolidated.

For any questions or clarifications regarding the forms, please feel free to contact OIL Diliman via UP Trunkline at 981-8500 local 2561.

Thank you very much for your continuous support in the internationalization efforts of the University.
