MEMORANDUM NO. ILCD MFMR 25 - 003

TO	:	Deans, Directors, Heads of Academic Units and Faculty Members
FROM:		**MIGUEL FRANCISCO M. REMOLONA, PhD** Director
THROUGH	:	**MARIA VANESSA L. OYZON, PhD** Vice Chancellor for Academic Affairs
SUBJECT	:	**New Feature Import Grades from UVLe to CRS**
DATE	:	**05 June 2025**

Dear UVLe Users,

We are pleased to announce that the grade module of CRS is integrated with the grades module of UVLe. If you have properly created a course through the CRS-UVLe integration module and were able to correctly setup your grades in UVLe, you can import grades from UVLe to CRS. A training on how to properly setup your grades in UVLe can be found in this link or the QR code.

You can import grades by:

- logging into CRS
- then going to UVLe Integration
- click the import button of the class you want to import grades from.

Doing this will take you to grade submission wherein a draft of the grades will already be seen. Do note that this is the draft submission and not yet the final submission of grades. Kindly verify that the information is correct before submitting.

We hope that this will eventually reduce the number of change of grades due to wrong inputs in CRS.

Best,

UVLe Team
