SUBJECT : Call for Applications to the Eric and Wendy Schmidt AI in Science Postdoctoral Program  
at the University of Toronto, Canada

DATE : 18 July 2025

The Office of International Linkages Diliman (OIL Diliman) is pleased to inform you that the University of Toronto is now accepting applications to the Eric and Wendy Schmidt AI in Science Postdoctoral Fellowship Program until **8 October 2025**.

*The **University of Toronto** is Canada's leading research university and the home of seminal work in artificial intelligence, from deep learning and neural networks to the interfaces between AI and the natural sciences.*

*From climate change to infectious disease, artificial intelligence (AI) can help us tackle the challenges that humanity faces by accelerating the pace of scientific research and development.*

*The University of Toronto's **Eric and Wendy Schmidt AI in Science Postdocs program** boosts the work of early-career scholars in engineering, mathematics and natural science by giving them vital tools in AI.*

*Founded by Eric and Wendy Schmidt, Schmidt Futures is a philanthropic initiative that brings talented people together in networks to solve hard problems in science and society. Since 2024, the Schmidt Sciences team and work has transitioned from Schmidt Futures into its own non-profit organization dedicated to advancing science and technology.*

**Benefits of the fellowship program:**

- **Salary:** CAD 85,000/year, plus CAD 11,000/year for benefits
- **Duration:** 2 years

To know more about the program, an information session will be held on 29 July 2025 at 11:00 am (EST). Interested applicants may register through <https://forms.office.com/r/695ZQxJt9G>
